Class 7 Msc

Lesson 4 Art of listening

Answer the following questions

1. What is listening?

Ans. Listening is the process of using the ears eyes and the brain to understand what the speaker is saying.

2. Why is listening more important than speaking?

Ans. Listening is more important than speaking because listening reduces mistakes and misunderstanding between two people.

3. How is listening different from hearing?

Ans. Listening is different from hearing because problems can be solved only if we are prepared to listen to other person.

4. Why do people not usually listen well ?

Ans. People usually not listen well because people have lack of interest in hearing.

B . Fill in the blanks:

1. In order to listen, we have to be active and attentive.
2. We do not listen because we lack interest.
3. Problems can be solved only if one is prepared to listen.
